

School Committee Policy:

#741

Protection of Buildings and Grounds

The Maynard School Committee desires to make school buildings and grounds available for constructive use by the community. In order to prevent vandalism to these facilities the Maynard School Committee has adopted the following rules in order to deter costly and wasteful destruction of school buildings and grounds.

1. Use of school property for school functions is limited to activities authorized by the building principal and/or the superintendent's office.
2. School property is officially closed to use one-half (1/2) hour after sunset until one-half (1/2) hour before sunrise except for approved, supervised activities.
3. Dogs, mini-bikes, motorcycles, snowmobiles and all other motor-driven vehicles are prohibited from school grounds at all times except for authorized staff, students, service dogs, municipal vehicles and persons on official business,.
4. In posted school areas, all persons found in violation of posting and of loitering may be prosecuted to the full extent of the law. The Maynard Police Department is encouraged to enforce the posted speed limit on school grounds, and posted parking and handicapped parking regulations.
